In this event, outstanding wagers will be honoured, unless the Betting Account has been used for any suspected fraudulent transaction or purpose in which case outstanding wagers will be cancelled and refunded.
13. 15.	Notwithstanding anything contained elsewhere in these Rules, if RWWA publishes, posts or quotes any incorrect betting information for any sporting event, such as posting wrong dividends or lines, then regardless of the cause or source of such error:

	<p>(a) Such wagers will be void if the error is identified prior to the commencement of the event and notified by RWWA to the most recent telephone or facsimile contact number or email address supplied by a Client, whose wager on that event has been accepted or confirmed by RWWA. If the wager is part of a multiple bet, the wager will then be recalculated without the team/competitor which had the error; or</p> <p>(b) The wager on the event shall stand if the error is identified only after the commencement of the event or for any other reason not notified to the Client's point of contact prior to commencement of the event. The only exception to this is where RWWA can demonstrate that the error was manifest or obvious, or that the Client otherwise should reasonably have been aware of the error when the wager was placed. If a Client has been paid winnings in error, RWWA shall be entitled to issue the Client with an invoice demanding repayment. In such circumstances, the invoice shall be evidence that the amount is due and payable.</p>

<p>73.</p>	<p>A reference to the "Field Size Rule" sets out how place dividends are paid.</p> <p>For all races within Australia and overseas the Field Size Rule is as follows:</p> <ul style="list-style-type: none"> a) where there are 8 or more runners in a race, a dividend shall be paid on 1st, 2nd and 3rd places; b) where there are 5, 6 or 7 runners in a race, a dividend shall be paid on 1st and 2nd places only; and c) where there are less than 5 runners in a race, the wagers shall be Win Only.
<p>74.</p>	<ul style="list-style-type: none"> a) A reference to "Win/Place Fixed Odds" means the price quoted by RWWA of a specified runner at the time of placing the wager. b) Win/Place Fixed Odds refers to the Fixed Price quoted by RWWA of a specific runner prior to placing a wager. These odds are fixed at the time of placing the wager. All Fixed Win/Place wagers are subject to the Field Size Rule (Rule 73). If a Fixed Price wager is struck once the "Final Field" is declared, such wagers are subject to scratching and deductions. c) All deductions applied by RWWA on Fixed Odds wagers struck after official opening prices have been announced will be sourced from the racetrack of race origin or, where applicable, with the following: <p>Other than 'first past the post' bets, all bets will be settled according to the result as announced at the 'Weighed-In' with the following exceptions:</p> <p>(A) Single ante-post bets, being made before 10 a.m. on the day of the final declarations will be void under the following circumstances: -</p> <ul style="list-style-type: none"> i) If the race is abandoned; ii) If the race is declared void; iii) If the Conditions of the race entry are changed prior to the start of the race; iv) If the venue is altered; or v) If a horse is eliminated under the British Horseracing Authority (BHA) Rules of Racing, schedule 8 of the Race Administration Manual (F). <p>However, in any such circumstances accumulative ante-post bets (win or place) will stand and be settled at the ante-post price(s) laid on the remaining horse(s). Any race in which a horse is supplemented does not affect Rule 4(A).</p> <p>In the event of a race being postponed to another day, ante-post bets placed before the entries have closed will stand and will only be made void if the race is abandoned or made void, if the horse is balloted out or eliminated under the previously mentioned schedule 8 of the BHA's Rules of Racing or if the venue is changed. Ante-post bets placed after the entries have closed will be void, except when the race is run at a later date at the same venue and entries for the race are not reopened, in which case bets will stand.</p> <p>(B) Bets other than ante-post bets will be void if the race is abandoned or declared void. Bets will stand if the race is postponed to another day and final declarations stand. If the final declarations do not stand, bets will be void. Bets on a horse declared by the Starter 'not to have started' will be void.</p> <p>(C) Where a bet has been placed and a price taken on the day of the race and there is subsequently an official notification that a horse has been withdrawn or has been declared 'not to have started', the liability of a layer against any horse remaining in the race, win or place, will be reduced in accordance with the following scale depending on the odds current against the withdrawn horse at the time of such official notification: -</p>

In the event of the withdrawal of one or more runners in circumstances which would lead to only one runner and therefore a 'walkover', all bets on the race will be void. The race will be considered a 'walkover' for the purpose of settling bets.</p> <p>For the purpose of this Rule the non-appearance of a declared runner will be held to be an official notification of the withdrawal of such horse before the race is off. In the case of a horse declared by the Starter 'not to have started', a racecourse announcement will be made to that effect. This official announcement will be made before the race result is displayed.</p>
